

“Are we to paint what’s on the face, what’s inside the face, or what’s behind it?”
Pablo Picasso

In *Team Art*, teams are challenged to recreate a great work of art by Picasso, Miro, Chagall, Van Gogh, Matisse, Magritte, Kandinsky, Da Vinci, Warhol, Dali or any another master artist.

Teams work on individual canvases, all of which ultimately combine to form one mosaic work of art ~ contributing to one shared goal. There can be any number of canvasses, so groups of 60 to 600 can take part in this activity.

Team Art Event Format

- The group is divided into equal teams.
- Each team works on a single section of a painting.
- When all sections are united, the final masterpiece will be a complete and giant artwork with each member having contributed.
